

# WGEA 2018 *Training the Physician of the Future*

## Poster Session: Sunday, March 25th

Platte River & Foyer

4:30 PM - 6:00 PM

### **Standardizing Learning for Fourth-Year Medical Student Medical Specialty Rotations: Prioritizing Content**

Poster: 1

*Emily Abdoler; Karen Hauer; Brian Schwartz*

### **Medical Students & Population Health: Community Exploration and Health Assessment Through Participatory Community Learning**

Poster: 2

*Monica Arebalos ; Faun Botor; Marwa Maki; Edward Simanton*

### **Effects of Program in Medical Education-Health Equity on Underrepresented Minority in Medicine Matriculation**

Poster: 3

*Jacob Bailey; Milli Desai; Lindia Willies-Jacobo*

### **The Patient Companion Project: Education in Communication and the Patient Experience for Pre-Health Undergraduate Students**

Poster: 4

*Sarah Bardwell; Clarinda Hougen; Nevan McCabe; Skotti Church*

### **Expanding curiosity in foundational sciences by self-directed learning: Effectiveness of an online prematriculation course in promoting student confidence and test performance**

Poster: 5

*Erin Bonura; Peter Mayinger*

### **Clinical Reasoning Skills Pilot Study**

Poster: 6

*Shanika Boyce; Anju Relan*

### **Quest for ideal online learning resource design in anatomical sciences; does integration lead to better learning outcomes?**

Poster: 7

*Cory Buenting; Lisa Lee; Janet Corral*

### **Mock Multiple Mini Interview for Underrepresented Premedical Students: A Single-Institution Experience**

Poster: 8

*Brittany Burton; Alpha Anders; Katherine Garcia; Lindia Willies-Jacobo*

### **Exploring the Impact of "Home": A Geriatric Models of Residential Care Curriculum for Pre-clerkship Students**

Poster: 9

*Laura Byerly; Jessica Eng; Josette Rivera*

### **Getting outside the box: Exploring role fluidity in interprofessional student teams using activity theory**

Poster: 10

*Laura Byerly; Bridget O'Brien*

<b>Gross Anatomy Review Course for Anesthesiology Residents on the Acute Pain Service: How Basic Science Training Could Improve Clinical Performance</b> <i>Andrew Cale; Adrian Hendrickse; Matthew Lyman; Danielle Royer</i>	Poster: 11
<b>Increasing Medical Student Opportunities for Clinical Reasoning on the Inpatient Medicine Wards: The Problem List Challenge</b> <i>Jessica Camacho; Jeannette Guerrasio</i>	Poster: 12
<b>Moving the Needle on Student Conceptions of Physician Leadership: A Novel Leadership and Community Engagement Curriculum for Third Year Medical Students</b> <i>Heather Cassidy; Erik Wallace; Chad Stickrath</i>	Poster: 13
<b>Implementation of Web-Based Educational Tool to Promote Clinical Reasoning in Problem-Based Learning</b> <i>Neha Chandra; Charles Goldberg; Roopali Gupta; Michelle Johnson</i>	Poster: 14
<b>Pairing Basic Scientists and Physicians to Teach the Links between Microorganisms and Clinical Infectious Diseases</b> <i>Sharon Chen; Manuel Amieva</i>	Poster: 15
<b>Early Reactions to Implementing a Program of Performance Assessment by EPA (Programmatic Assessment) for Clinical Skills Instruction in Years 1-2</b> <i>Jorie Colbert-Getz; Danielle Roussel; Kerri Shaffer; Laura Sells; George Zinkhan</i>	Poster: 16
<b>Implementation of a Licensing Examination Post-Encounter Note for Pre-Clerkship Learners: Feasibility and Value</b> <i>Susannah Cornes; Margaret McNamara; Anna Chang; Karen Hauer; Sarah Bingel-McKillips; Laura Burns; Allison Ishizaki; Christy Boscardin</i>	Poster: 17
<b>Adopting Technology-Enabled Learning is Complicated: How Lessons Learned from implementing Flipped Classrooms in WGEA Medical Schools Inform Future Innovations</b> <i>Janet Corral; Julia VanderMeer; Gwen Shonkwiler</i>	Poster: 18
<b>Spanish Language Proficiency of Bilingual Providers</b> <i>Monisha Dilip; Natalie Rodriguez; Kevin Yang; Sunny Smith; Felisha Rohan-Minjares</i>	Poster: 19
<b>A qualitative study of factors influencing underrepresented medical students' decision making about residency training programs</b> <i>Brandan Dotson; Edward Cruz; Tomas Diaz; Katherine Lupton</i>	Poster: 20
<b>Assessing 3D Learning Resource Preference and Performance in Embryology Education</b> <i>Angelique Duenas; Jennifer Stratford; Ernesto Salcedo; Lisa Lee</i>	Poster: 21
<b>Individualized Learning Plans: A Learner-Centered Approach to Clinical Rotations</b> <i>Tanya Fernandez; Jacqueline Sivahop; Tai Lockspeiser</i>	Poster: 22
<b>A Passport to Self-Directed Learning: Innovation in Internal Medicine Resident Curriculum Design in an Urgent Care Setting</b> <i>Lindsey Fish</i>	Poster: 23

<b>Immersion into Community: How and why to make it happen</b> <i>Anthony Fleg</i>	Poster: 24
<b>Addressing Burnout with Acceptance and Commitment Training</b> <i>Mary Froehlich; Alison Szarko; Nicole Jacobs; Greg Smith; Ramona Houmanfar; Timothy Baker; Melissa Piasecki</i>	Poster: 25
<b>The Women's Leadership Development Program: A novel program to increase women-identified leaders in medicine</b> <i>Megan Furnari; Kelsey Priest; Hannah Dischinger; Alyssa Eldridge; Emmeline Chuu; Rose Chuong; Tessa Herman; Kara Konigsfeld; Sarah Owens; Sasha Narayan; Sarah Newhall; Arianna Robin; Lauren Servino; Audrey Tran; Sydney Walker; Elizabeth Lahti</i>	Poster: 26
<b>Reimagining the Shadowing and Research Experiences of Undergraduate Pre-medical Students</b> <i>Jason Wilson; Roberta Baer; Seiichi Villalona</i>	Poster: 27
<b>A Robotic Teaching Session: Separating tool from technique to emphasize a cognitive focused teaching environment</b> <i>Courtney Green; Patricia O'Sullivan; Hueylan Chern</i>	Poster: 28
<b>Assessing Interprofessional Learner Team Performance in an Emergency Medicine Simulation</b> <i>Todd Guth; Kristin Broadfoot; Kelley Roswell; Micheal Overbeck</i>	Poster: 29
<b>The Right Hand of the Faculty: Medical Education Staff as Inter-Professional Collaborators</b> <i>Brian Herman; Gary Beck Dallaghan; Sara Clemons; Cynthia Irvine; Alison Ricker; Gretchen Shawver</i>	Poster: 30
<b>A Successful Approach to Reducing Step 2 CS Failures</b> <i>Kathy Herzberger; Rebekah Bartos-Specht; Khiet Ngo; Nancy Heine</i>	Poster: 31
<b>Spiraling Genetics and Genomics into third year: Promoting transfer and application of foundational science knowledge</b> <i>Katherine Hyland; Jessica Tenney; Renata Gallagher; Tracy Fulton; Heidi Kirsch; Lynnea Mills; Sara Clemons; Jonathan Pai; Patricia Cornett</i>	Poster: 32
<b>Evaluation of a Novel Performance Dashboard for Medical Students at UCSF</b> <i>Nicholas Iverson; Alekist Quach; Patrick Yuan; Stephanie Kaner; Christy Boscardin; Karen Hauer</i>	Poster: 33
<b>Synthesizing Curriculum (from thin air): Curriculum Development With No Committees, Learning With No Instructors and Results With No Cost</b> <i>Brady Janes; Timothy Baker; Gwen Shonkwiler; David Howard; Kevin Facemyer</i>	Poster: 34
<b>Establishment of a Need for Global Health Training in Prospective and Current Internal Medicine-Pediatric (Med/Peds) Residents at the University of Colorado</b> <i>Rebecca Kamins; Julie Venci; Anne Frank</i>	Poster: 35
<b>A Medical Education Student Interest Group to foster student engagement and educational innovation</b> <i>Richard Kasuya; Erika Noel; Brandon Ing; Damon Sakaj; Jill Omori</i>	Poster: 36

<b>Focused Education Needed for Medical Trainees Submitting Their Research Protocols to Ethics Committee: Training the Future Medical Researchers</b> <i>Thana Khawcharoenporn; Sumalee Kondo; Thipaporn Tharavanij</i>	Poster: <b>37</b>
<b>Implementing and Evaluating a Medical Humanities Curriculum for residents within the Internal Medicine/Pediatrics Ambulatory Curriculum</b> <i>Mark Kissler; Anne Frank; Julie Venci</i>	Poster: <b>38</b>
<b>I have a tear down there?: Implementing a three-dimensional anatomical education tool into postpartum perineal laceration care.</b> <i>Hannah Koury; Tyler Muffly; Janet Corral; K. Joseph Hurt</i>	Poster: <b>39</b>
<b>Development of a novel curricular addition on special testing of gastrointestinal motility disorders for UCSF Gastroenterology (GI) fellows.</b> <i>Cary Kraft; Jeffrey Baumgardner; Justin Sewell</i>	Poster: <b>40</b>
<b>“If patients are disrespecting me, is it because I’m a Black, young, woman? Pick one or all three”: Exploring underrepresented medical students’ experiences on internal medicine and other clinical clerkships</b> <i>Cindy Lai; Andrea Jackson; Arianne Teherani</i>	Poster: <b>41</b>
<b>Partnering to Develop A Clearinghouse for Wellness Resources</b> <i>Elizabeth Lawrence; Karen McElfresh</i>	Poster: <b>42</b>
<b>Teaching Procedures in Emergency Medicine to Pre-Clinical students</b> <i>Carol Lee; Ming Lee; Wendy Coates</i>	Poster: <b>43</b>
<b>Outcomes from an Interprofessional Course Focusing on Teamwork/Collaboration, Values/Ethics, and Safety/Quality at the University of Colorado</b> <i>Wendy Madigosky</i>	Poster: <b>44</b>
<b>Innovations in Medical Education: An Introduction into Student Evaluation Teams as Alternative to Student Surveys</b> <i>Marwa Maki; Edward Simanton; Monica Arebalos; Faun Botor</i>	Poster: <b>45</b>
<b>Acceptance and Commitment Training in medical education: Insight into peer-led discussion of student wellness</b> <i>Erika Mauban; Alison Szarko; Nicole Jacobs; Greg Smith; Ramona Houmanfar; Melissa Piasecki</i>	Poster: <b>46</b>
<b>Beyond 'Keep It Up': Content Analysis of Multisource Feedback for Medical Students</b> <i>Anelah McGinness; Josette Rivera; Maria Wamsley</i>	Poster: <b>47</b>
<b>Promoting Interprofessional Training and Collaborative Practice in a Safety-Net System</b> <i>Sarah Meadows; Abraham Nussbaum</i>	Poster: <b>48</b>
<b>Faculty Involvement in UME Remediation Efforts: A National Survey</b> <i>Lynnea Mills; Arianne Teherani; Calvin Chou</i>	Poster: <b>49</b>

<b>Interprofessional Curriculum on Communication to Promote Adherence</b> <i>Lynnea Mills; Elizabeth Imbert; Calvin Chou; Anna Chang; Amin Azzam; George Saba</i>	Poster: 50
<b>A Novel, Inter-Professional Curriculum for Resident Education in the Intensive Care Unit</b> <i>Jessica Nelson; Zachary Asher; Lauren Steward; Jean Hoffman; Jason Brainard</i>	Poster: 51
<b>Foundational Science (FS) day: developing a novel foundational science curriculum for clinical clerkship year</b> <i>Jonathan Pai; Heidi Kirsch; Patricia O'Sullivan; Sara Clemons; Amy Yun; Patricia Cornett</i>	Poster: 52
<b>Concealed carry handguns on medical school campuses: perceptions of students and faculty on changes in the learning environment</b> <i>Alexandra Palmer; Emily LaBerge; Justin Hartmann; Curt Pfarr</i>	Poster: 53
<b>Enhancing Student Voice in Formal Curriculum Review Processes</b> <i>Brooke Parsons</i>	Poster: 54
<b>Leadership Training in Residency: get ready to ELEVATE the conversation</b> <i>Suraiya Rahman; Monika Alas-Segura; Stephanie Zia; Adler Salazar; Gregory Harlan; Randall Chan; Rukmani Vasani; Erica Li; Gina Kim</i>	Poster: 55
<b>Adapting Approaches to Value-based Care into Education: What, Why, and How</b> <i>Boyd Richards; Tony Tsai; Janet Lindsley; Sara Lamb</i>	Poster: 56
<b>Cultivating Collaboration: An Interprofessional Collaboration Skills Curriculum for Early Medical Students in Clinical Microsystems</b> <i>Josette Rivera; Susannah Cornes; Anna Chang; Allison Ishizaki; Maria Wamsley</i>	Poster: 57
<b>Anatomy integration: effective change or change of affect?</b> <i>Martina Rosenberg; Gary Smith; Rebecca Hartley</i>	Poster: 58
<b>An Experiential Internal Medicine Resident Elective Curriculum in HIV and Urban Underserved Care</b> <i>Yasmin Sacro; Jennifer Adams</i>	Poster: 59
<b>National and Local Trends in Internal Medicine Resident Career Choice</b> <i>Lekshmi Santhosh; Jennifer Babik</i>	Poster: 60
<b>Embracing Wikipedia as an Education Resource for Health Professional Schools</b> <i>Sanskriti Saxena; Mihir Joshi; Bryant Ho; Aparna Manocha; Amin Azzam</i>	Poster: 61
<b>"Teaching load": implications for horizontal and vertical integration in medical education</b> <i>Stephen Schneid; Chris Armour; Jess Mandel; Katharina Brandl</i>	Poster: 62
<b>Medical Students Perceptions of Helpful Feedback in a Clinical Reasoning Course: Implications for Facilitator Development</b> <i>Karen Spear Ellinwood; Alice Min; Jennifer Cogan; Paul St. John</i>	Poster: 63

<p><b>How Clinician Faculty Define and Perceive 'Pimping' in Medical Education: Intention Matters</b>  <i>Karen Spear Ellinwood</i></p>	Poster: 64
<p><b>Creation of a Cancer Survivorship Curriculum for Pediatric Resident Physicians</b>  <i>Lindsay Schwartz; Clarence Braddock; Roy Kao; Myung-Shin Sim; Jacqueline Casillas</i></p>	Poster: 65
<p><b>Further Navigating the EMR Labyrinth: A Refined Peer-Teaching Module for University of Colorado Residents Rotating at Uptown Primacy Care at Presbyterian St.Luke's for the Women's Health Elective</b>  <i>Carol Stamm; Elisabeth Ihler; Scott Joy; Heather Posener; Daniel Topp; Stephanie Henderson; Branden Comfort</i></p>	Poster: 66
<p><b>Development and Implementation of a Palliative Care Elective for Fourth Year Medical Students</b>  <i>Katelyn Stepanyan; Chris Pietras; Tim Weiss</i></p>	Poster: 67
<p><b>Incorporation of Virtual Pathological Microscopy into Pathology Residency Training</b>  <i>Ian Stewart; Brian Moore; Lisa Lee</i></p>	Poster: 68
<p><b>Peer Teaching in Hospital Medicine: The Second Year of Implementing the Hospitalist Huddle</b>  <i>Antonio Toribio; Mohammed Elhassan</i></p>	Poster: 69
<p><b>Multimedia Production for the Digital Natives</b>  <i>Litao Wang</i></p>	Poster: 70
<p><b>Successful Development of a Topic Based Interdisciplinary Simulation Curriculum at Two Regional Medical School Campuses</b>  <i>Catherine Wares; Michele Birch; Kimberly Lansing; Paul Klaus; Rachel Hawker</i></p>	Poster: 71
<p><b>Preparing for Patient Care: Utilizing Simulation in a Transition Course For Medical Students</b>  <i>Catherine Wares</i></p>	Poster: 72
<p><b>Mentorship and Positive Student Outcomes in A Structured Medical Student Research Program</b>  <i>Timothy Woodiwiss; Brian Walker; Mark Whipple; Peter Wu</i></p>	Poster: 73
<p><b>Use of Visualization Tools to Drive Continuous Quality Improvement</b>  <i>Julie Youm; Zahra Dabzadeh</i></p>	Poster: 74
<p><b>What Mediates Surgical Learning? Perspectives from Academic Otolaryngologists</b>  <i>Nina Zhao; Patricia O'Sullivan; Emily Huang</i></p>	Poster: 75
<p><b>Lean on Me: Anonymous Text-based Support System for Medical Students</b>  <i>Jeffrey SooHoo; Austin Butterfield</i></p>	Poster: 76

<b>A Novel Combined Assessment of Systems Improvement and Patient Care Skills in A Standardized Patient Case</b> <i>Heather Whelan; Susannah Cornes; Stephanie Renneke; Anna Chang; Edgar Pierluissi</i>	Poster: 77
<b>Patient satisfaction with student-trained Spanish Interpreters: a model for interpreter services at student-run free clinics</b> <i>Julie Highland; Steven Lowenstein; Belinda Enriquez</i>	Poster: 79
<b>Geriatrics Associated Health Training Program Interprofessional Case Conference: supporting communication and information sharing in care planning for older veterans</b> <i>Elizabeth O'Brien; Kathryn Nearing; Joleen Sussman; Skotti Church</i>	Poster: 80
<b>Re-imagining medical school: longitudinal integration of first year medical students in interprofessional teams for meaningful systems improvement</b> <i>Daphne Lo; Stephanie Renneke; John Davis; Sarah Bingel-Mckillips; Laura Burns; Kristin Casey; Susannah Cornes; Shannon Fogh; Allison Ishizaki; Margaret McNamara; Edgar Pierluissi; Anna Chang</i>	Poster: 81
<b>Exploring Use of Measures of Non-Cognitive Traits in Admissions: Standardized Video Interviews (SVI) and Multiple Mini Interviews (MMI)</b> <i>Benjamin Chan; Boyd Richards; Chance Christensen</i>	Poster: 82
<b>Categorization of student generated ethical situations</b> <i>Kevin Roeder; Boyd Richards; Benjamin Chan; Karly Pippett; Gretchen Case</i>	Poster: 83
<b>Innovative Assessment Tools within Admissions: Situational Judgment Test and Multiple Mini Interviews</b> <i>Benjamin Chan; Boyd Richards; Chance Christensen</i>	Poster: 84
<b>Mapping Interprofessional Communication during Intensive Care Unit to Ward Transitions</b> <i>Shire Beach; Lekshmi Santhosh</i>	Poster: 85
<b>Editing Wikipedia for Medical School Credit – Analysis of data from seven cycles of an elective for fourth-year students</b> <i>Mihir Joshi; Sanskriti Saxena; Bryant Ho; Aparna Manocha; James Heilman; Evans Whitaker; Amin Azzam</i>	Poster: 86
<b>A longitudinal post-clerkship elective to extend project based learning and understanding of the underserved in an urban-based Longitudinal Integrated Clerkship (LIC)</b> <i>Michelle Cleeves; Margaret Tomcho; Jennifer Adams</i>	Poster: 87
<b>Bridging the Quality Improvement Gap for Medical Students: From Classroom to Residency</b> <i>Jaime Baker; Erik Wallace; Chad Stickrath</i>	Poster: 88
<b>Medical Students at Risk: Practical Lessons of a Premedical Enrichment Program</b> <i>Pamela DeVoe; Marcy Osgood; Nancy Shane</i>	Poster: 89
<b>Trusted to perform: Clerkship students' perspectives on the role of trust in the clinical learning environment</b> <i>Nathan Karp; Karen Hauer; Leslie Sheu</i>	Poster: 90

**Using the LEAN “A3” as an Early Medical Student Assessment Tool**

*Edgar Pierluissi; Lei Choi; Niraj Sehgal; Kristin Casey; Patricia Ramirez; Shannon Fogh; Anna Chang*

Poster: **91**

**How Do First-Year Medical Students Study? Investigating an Institutional E-Learning Initiative in its Second Year**

*Bao Sean Nguyen; Matthew Agam; Andrew Nelson; Maya Sampath; Lauren Schooner; Anne Vo*

Poster: **92**

**Simulation and Standardized Patient (SP) Hybrid Experience: A Novel Approach to Prepare Medical Students for Clerkships**

*Dawn Barcellona; Adam Heath; Maria Castro; Fred McDonald; Maricela Moffitt*

Poster: **93**

**Mindful Listening: A Study of Medical Students**

*Esteban Cota; Stacie Collins; Anaheed Shirazi; Sinan Jabori; Magda Shaheen; Margaret Stuber; Shahrzad Bazargan-Hejazi*

Poster: **94**

**Empathy enhancing educational design to enhance Communication in PA Students**

*Kevin Bogart; Tai Lockspeiser*

Poster: **95**

**Optimizing the Physician Assistant / Radiologist handoff**

*Kevin Bogart*

Poster: **96**
